

## Market Report

**Wednesday October 23rd**

Regular sale

177 Head received.

*We had a nice sized sale this week, the majority of the cattle were weigh cows with a few weigh bulls, feeders, and bred cows. The feeder market appears to be holding steady to higher across the nation although we did not have enough to get a good test on the market this week. Due to the volume of cattle going to slaughter, the weigh up cattle prices are declining.*

Weigh bulls mostly lower yielding, \$57.00/cwt -- \$66.50/cwt

Feeding bulls as high as \$80.00/cwt

Low yielding cows, \$37.00/cwt -- \$53.00/cwt

High yielding cows, \$53.00/cwt -- \$71.00/cwt

Bred cows mostly 3-4 months bred, Broken mouth cows \$610-\$750

Steer calves, \$125.00/cwt -- \$163.00/cwt

Next sale will be October 28<sup>th</sup>, Feeder Special expecting 800-1000 head
