

Market Report

Wednesday, January 15th

Regular sale

54 Head received.

We had a short run this week, it is the time of the year when mother nature seems to disagree with the general public!

*Well over half of the animals that crossed the scales were bred cattle, with ranging ages, calving dates, and quality. Prices ranging from \$550/hd--\$1200/hd
There wasn't enough volume to call the Feeder and Weigh-up market this week but from the little that we saw, it appears to be steady.*

Next sale will be Wednesday, January 22nd, 2020.

Next bred cow sale will be February 19th, with 330 head already on the books, 260 of those being a complete dispersal of top-quality commercial cows.
