

Market Report

Wednesday, January 6th, 2021.

Nice sized sale this week with markets higher across the board. We saw lots of demand for feeders and yearlings and lots of optimism through-out the whole industry. We are also receiving lots of demand for bred cows. No test one the weighup or bred market this week.

93 Heifer calves bringing \$163.50/Cwt weighing 440lbs, with heavier Heifers bringing over \$900/hd

No big lots of steers to report on but once again the heavy cattle were higher, bringing over \$1000/hd
